

Plymouth Primary Care

Thought, Word, & Deed

At Plymouth Primary Care, our focus is providing healing care for your whole family.

Our office works in association with Washington Regional Medical Center providing full care coordination.

The objective of our providers is to help our patients meet their long-term healthcare goals by providing personalized medical advice, and case-based treatment plans.

OUR HEALTHCARE SERVICES

- Pediatric & Adult Acute Illness Care
- DOT & Employment Physical Exams
- Medical and Surgical Procedures
- Orthopedic & Sports Medicine
- Injury & Accident Care
- Chronic Disease Care
- Adult Wellness

MEET OUR PROVIDERS

Dr. Venable has been caring for patients in the Washington county area for over 43 years with a special focus on geriatric care.
